WE MET . . .

DR. AND MRS. RALPH W. LLOYD

THE PRESIDENT

Dr. and Mrs. Lloyd at their home, "Morningside," extend to you their welcome to Maryville and join the CHILHOWEAN in inviting you on a tour which will include the outstanding people, places and events of our college which were brought to light during the school year of 1954-55.

Dr. and Mrs. Lloyd are a vital part of college life and even though Dr. Lloyd's position as Moderator of the General Assembly of the Presbyterian Church, U.S.A., takes them away from the campus a great part of the time, they can still be seen participating in many of the student activities. Who can forget Dr. Lloyd's valiant attempts to lasso the cactus at Barnwarming?

THE DEANS

FRANK DELOSS McCLELLAND, B.A., M.S., LL.D.

In his capacity as Dean of Students, duties both pleasant and unpleasant fall to Dr. McClelland. It is he who issues that gold-inscribed roll each semester which is known as "Dean's List" and happy the hard-working student who finds his name thereon! Probably the first person whom the incoming freshman meets is Dr. McClelland, for he handles all admissions. He is also the man who administers those crazy aptitude tests that ask whether you'd rather be a cowboy or read to a sick friend, then come up with the conclusion that you have high scientific interests.

EDWIN RAY HUNTER, B.A., M.A., Ph.D., Litt.D.

In his years at Maryville, Dr. Hunter has made a very special place for himself on the campus, both in his academic role and in the hearts of the people who have worked with him and learned from him. As head of the English Department he attempts to inspire each and every little English major to write "the great American novel," often, alas, without success. When he changes his field of operations and becomes Dean of Curriculum, he is faced with the innumerable headaches which accompany the planning of course offerings and the making of schedules. There is always somebody who wants to take four classes which are all offered the same hour!

FRANCES MASSEY, B.A.

As Dean of Women, Miss Massey fills a difficult position. It is to her that the three women's dormitories look for their "stop" and "go" signals. In addition to keeping the dorms in working order and the girls happy, she serves on several student and faculty committees which have helped immensely to improve the poor undergraduates' lot. She also metes out those yearned-for special permissions. Don't let this get around, but they're really not so awfully hard to get. More often than not she's really glad to say to a girl: "Why, yes, you may go to that Perfectly Marvelous Movie in Knoxville with your Wonderful Fella. Have a good time."

In Memoriam

While in his term of active service, Dr. Augustus Sisk died on February the first, 1955. Dr. Sisk had been a professor at the College since 1938, before which time he had taught in high schools and universities, including fifteen years of service at the University of Tennessee. He received his B.A. degree from Maryville in 1917, his M.A. degree from the University of Kentucky and his Ph.D. in 1932 from Cornell University. What greater tribute could be paid Dr. Sisk than that given him by his pastor: "The very look in his eye made me think, 'here is a man who believes what he says.'"

CAROL MOORE
Student-Body President

The campus governing body is composed of representatives from each class and organization on the campus. It plays a vital part in student life, for its responsibility is working out the problems of student life and regulating and enforcing those rules which fall under its jurisdiction. As the years have passed, Student Council has taken on more and more of the responsibility connected with campus government. The privilege of self-government was conferred after the student body proved itself capable of assuming the task. Each year the Council proves that this trust was well-founded, and this year has again emphasized that fact.

Left to Right: Moore, President; McCall, Social Board Chairman; Orr, Secretary; Murphey, Vice President; Williams, Treasurer.

Some Student Council activities this year which deserve special recognition are its special chapel service honoring Dr. Lloyd as new Moderator of the Presbyterian Church, U.S.A.; the handling of the publicity and transportation for the Carson-Newman game; origination of the proposal for Sunday dating for Junior women; slating the student chapel leaders for the year; origination of the method of vacating chapel; presentation of the proposal for an intramural basketball team for girls; and nomination of Who's Who candidates. One of the most outstanding of Council's achievements was the revision of the student-body constitution which reapportions the members of Council as well as affecting other phases of student life.

The Women's Student Government Association promotes the cooperation and consideration for one another which helps make the Maryville women's dormitories a pleasant place in which to live. Elected student representatives from each dorm meet together to discuss and decide upon the necessary rules for all women students. WSGA's most important achievement this year was the installation of Sunday dating for Junior as well as Senior women.

SOCIAL BOARD

The Social Board is an organizational structure designed to give Maryville College students an adequate and varied social program, its chairman being elected annually by the student body. Among some of its projects this year were making the arrangements for the student body to go to Carson-Newman, planning several square dances and the dances after the football games, and scheduling a movie which was shown in the Fine Arts Center.

With Chinese hats and pigtails down their backs, Thetas invited all new girls to become a part of their society and entertained the entire campus with their version of an "Oriental Holiday." The rushing activities were brought to an effective close with the musical story of a love affair between a Chinese maiden with large feet and an American sailor.

With their brother society, Alpha Sigma, they put on this year's fall dance which took the form of a snow carnival, turning the Alumni Gymnasium into a veritable winter wonderland.

ALPHA SIGMA

Freshmen participating in initiation

Teaming with its sister society, Theta, Alpha Sigma presented "An Oriental Holiday" as an invitation to new men on the campus to join its ranks. Those who accepted the invitation were inducted via initiation, both formal and informal, which included, among other things, rolling eggs (hardboiled?) with their noses over a greater part of the campus. But the initiation also had its practical side, for the initiates pitched in to help clean the Alpha Sig house. In addition to their separate programs, Alpha Sig has joined its sister society in programs which combine instruction and fun. The Fall Dance, "Winter Wonderland," was not the least of their activities, and their annual Sweetheart Show, at which time Miss Ka Leeth was presented as 1955 Sweetheart, was an outstanding event.

With the score at 1954, the Bainonians ushered in the Freshmen with their "Card Capers." The campus was decorated with falling cards, enormous score pads, and the dorms bore such names as "Canasta Cottage." The week was climaxed by a presentation of "Jack of Diamonds," which included gamblers, pretty girls, and good music, with a show boat for the stage.

With rush week affording Bainonian a terrific beginning, it is only natural that this year proved to be another of fun and fellowship for all its members. Its entertaining and educational programs, its service projects, its "powder-puff" football game with Theta, and its joint meetings with Athenian, plus its memorable Spring Dance have combined to give Bainonian another unforgettable year.

Doing the Bunny Hop to the tune of Athenian initiation

Even though Athenian society is the oldest society on the hill, its activities are always new and varied, as is shown by this year's program which included intramural sports, exchange and joint meetings with Bainonian, its sister society, and its ABC show, an annual event in which six girls from Bainonian are chosen to appear on the "Athenian-Bainonian Calendar." Also in cooperation with their sister society they presented "1954 Card Capers" as their contribution to rushing activities and were joint sponsors of the 1955 Spring Dance.

CABINET

The Young Women's Christian Association is considered one of the campus' most important organizations, for it sponsors many of the college's religious and social functions as well as being responsible for a great number of service projects. Each coed, when she joins the college family, automatically becomes a member of "Y" and is eligible to join in any of its activities.

Besides its meetings each Sunday afternoon, "Y" is in charge of dorm and all-campus devotions; a weekly "Y" radio program, produced entirely by students; mission activities for the underprivileged children of the community; "Y" store, which is operated entirely by students; Artists Series; and perhaps most important of all, Barnwarming, an annual musical extravaganza which is written, produced, and directed by "Y" members. Through these many activities, "Y" truly fulfils its 1954-55 motto: "No Hands But Our Hands."

One of the most important events of the year was the celebration of the World YWCA's Centennial anniversary. Included in the observance of this event were a review history of the Maryville YWCA; a pancake breakfast, the proceeds going to the National Centennial Fund; a time of rededication to the National YWCA purpose of relating the gospel to all areas of personal and social living.

One of a Freshman girl's most pleasant memories is her first letter from her Nu Gamma leader which comes to help her get acquainted with Maryville. In addition to introducing new arrivals to the ins and outs of our particular college, the Nu Gamma leader helps the new girl meet people and is always ready to help out if any special problem arises. An always-active branch of YWCA, Nu Gamma has this year been an even more outstanding addition to campus life.

For all men of the college, the Young Men's Christian Association offers rich opportunities for service and growth in Christian living. It sponsors, with its sister organization, Y.W.C.A., weekly prayer meetings, Artists' Series, the "Y" store, its several mission programs, and the always-delightful Barnwarming. Besides these worthy projects, Y.M.C.A. maintains an intramural team and an effective Big-Little Brother program. With its activities and service projects, Y.M.C.A. reaches the fulfillment of its motto: "No Hands But Our Hands."

Men's Glee Club and Women's Choir this year again collaborated to produce their annual operetta. Strauss's *A Waltz Dream* was their selection and in addition to beautiful music, it offered outstanding scenery. Under the direction of Mr. Dan Kinsinger, the two choirs this year also participated in the *Messiah*, Christmas Vespers, and several regular vesper services.

ART ACTIVITIES

Top: Doris explains her most recent piece of sculpture to Dixie and Cary. Bottom: One of the most interesting exhibits presented by the Art Department was the pottery exhibit. Here Natalie and Bob examine some of the pieces.

Some of the outstanding activities in the Art Department this year included: an exhibition in ceramics, with a demonstration of the potter's wheel by Miss Lois Culver; field trips for the water color class: experimentation in silk screening, which is a process of printing designs on materials: and a mural made by Bob Brand for the Art Department. The Art Department combines learning with pleasure as well as profit—as Bob Brand and Liz Frei evidenced with their sale of original pins, earrings, tie clasps, and cuff links.

MARYVILLE PLAYHOUSE

Henderson, Buckley, Rideout, Dorset, Pitt, Ross, Hussey, Williams, Sleight, Evans, Wilson, Settle, Richards, Easley, Thiel, Maib, Messer, Cathey, Crosby.

For all students interested in any phase of drama, Playhouse offers an excellent opportunity for use of their talents. This year the organization presented "Street Scene" by Elmer Rice as its fall production; "She Stoops to Conquer" by Oliver Goldsmith as its spring offering, and Shaw's "Pygmalion" as Commencement play.

Two of the outstanding features of "Street Scene" were its large cast of more than fifty students and its exceptional scenery depicting the front of a tenement in New York City, both of which were made possible by the new theater.

Scene from "The Lady's Not for Burning" produced in the gymnasium.

Building sets has become much easier in the large workroom of the theater.

Last year's commencement play, "Family Portrait," was the first to be presented in the new theater, which has continued to delight this year's play-goers. The theater with its many modern facilities has immensely widened the scope of plays which Playhouse may produce.

This year's Experimental productions, with their truly experimental flavor, have also been a great source of entertainment to lovers of the drama. A sort of preparatory school for the larger Playhouse productions, the Experimentals are often a showcase for newly-discovered talent.

Rideout, Parrish, Netherton, McNaughton in the Upper Room scene from "Family Portrait."

And well might they smile! "Family Portrait" is a success!

Pi Kappa Delta is an honorary society for all students who have participated in the college's regular debating schedule. This year the debating team has traveled widely and has won many honors for its outstanding performance. Also, members of Pi Kappa Delta have coached teams for the annual Freshman Debate Tournament.

For all enterprising authors, journalists, poets, and/or critics, Writers' Workshop presents a real challenge. The members of Workshop are chosen on the basis of their writing ability and interest in things literary. Meetings are held weekly at which time two members read an original selection and two other members offer a criticism of the piece. At the end of the year, those selections which are considered the best of the year are collected and published in Workshop's magazine, *Chips*.

Since the *Echo* is the only newspaper in the world whose first interest is Maryville College, it occupies an important position among campus publications. Falling into that category of publications which offers "something for everyone," it keeps every coed and college man up to date on "what's doin'." Perhaps the offering of most universal interest is the column, "Scots and Soda," but the current events of the campus, movies playing in town, and book reviews are so well-covered that they come in for their share of attention.

To present you with those unforgettable events which have filled the 1954-55 calendar at Maryville College has been our aim. How successful were we? Well, that remains to be seen. Perhaps our answer will come in some future year when you open your CHILHOWEAN and feel yourself once more a part of the college whirl as an undergraduate, participating in the events which we have pictured here.

WE BECAME ATHLETES . . .

Senior players and coaches.

The opening of the 1954 football season found the Highlanders in possession of a well-rounded squad of veterans and newcomers. Sixteen returning lettermen promised to give the squad a good foundation around which it could build a solid attack. This optimistic outlook was justified, as the season ended with a 4-3-2 record, and provided some of the most interesting and exciting football seen in many seasons.

The Scots opened the season by handing Hiwassee a 26-6 defeat. Most of the squad saw action and the performance was an indication of good football ahead.

The next Saturday night, though, brought disappointment as a powerful Jacksonville State squad defeated the Highlanders 14-0, proving to be the outstanding opponent of the year.

Traveling to Centre, Kentucky, the next week, the Scots displayed their fighting ability to come from behind despite injuries to key players. The boys fought hard and managed to win 12-7, thanks to a McCall-Sexton pass in the closing minute.

Still on the road, the gridders prepared to meet the always-powerful East Tennessee State squad. The game was one of hard-fought line play and was close all the way due to some fine running by Shepard and an interception by Strickland which became a Highlander score. But the East Tennessee State boys pulled it out to win 20-14.

The Homecoming game found the Scots facing Emory and Henry before the usual large Homecoming crowd. Both teams treated the spectators to a fine game and the score ended even at 14-14.

Newberry College, South Carolina, was the next stop for the Highlanders, where they dropped 27-0 to the Indians.

Returning home for a visit by Howard, the team reverted to form and punched out a 21-12 victory in a game which found both squads making many errors.

Carson-Newman, the arch-rival, provided competition for the Scots the next week, and competition it was. The score is indicative of the battle, ending in a 7-7 tie.

The final game of the season proved a fitting climax to an exciting year of football. The Mountain Lions of Concord State invaded Maryville with a team of big linemen and rapid backs. The Scots, playing the breaks, held their own in a close contest, and in the final minute, Shelton, switched to tailback due to injuries to Shepard and McCall, engineered a Scot touchdown. White added the point and Maryville won 14-13. Particularly outstanding for the Scots all season were Shelton, Shepard, White, Keny, Berrong, and Strickland; but credit must go to all the players and the coaches for a fine showing in the '54 football season.

First Row: Anderson, Berrong, Bivens, Breen.
Second Row: Clemens, Delozier, Dunn, Gilbert.
Third Row: Godfrey, Hayes, Hutsell.

Second Row: Saunders, Shelton, Shepard, Strickland.
Third Row: Wheatley, Wilson, White.

Left to Right: Coaches—Shepard, Honaker, Davis, Cragan.

Coach Honaker's hoopsters began practice sessions for this year's season with a nucleus of veterans around which to build a team. The loss of two of last year's squad was expected to be made up by the addition of many newcomers. Opening up against King College, the Scots won by 21-66. Jack Keny pacing the way with 21 points. Traveling to LMU, the Highlanders met defeat at the hands of the powerful Railsplitters by a score of 83-61. Defeat was waiting for the Scots when they returned home and went down before Jacksonville State 77-65. Shelton netting 19. Coming back fast,

the Scotties beat McGee Tyson 82-84, in a fast, exciting game. Bills Blair and Wallace led the attack with 19 points each. King College then drew vengence for their earlier defeat by handing Maryville a 79-72 loss.

Chattanooga was an easy mark for the Scots as they fell by a 93-75 score. Traveling to Milligan, the Highlanders faced a squad which couldn't seem to miss and the visitors lost 105-94, Keny netting 31 points. Hiwasse was the next Maryville victim, losing 81-65 to an attack led by Shelton. The highlight of the season came in the next game versus Emory and Henry, the outcome being in their favor 96-94 when a desperation jump shot was made in the final seconds of the game. Hiwasse again fell to the Scots, this time by a 74-57 count. Blair, Wallace, Keny, Sexton, and Shelton have been the nucleus of the team.

First Row: Stabley, manager; Engles, Dent, Crouch, French, Goodlin, Young, Flynn, McCurry. Second Row: Clapp, W. DeLozier, Saunders, Keny, Wallace, B. DeLozier, Blair. Third Row: Shelton, West, Hutson, Sexton.

Miller and Renfro

The 1954-55 wrestling squad opened the season with many veterans on the roster. Led by Captain Buford Miller and Tom Bugenhagen, both SEC champions, the outlook for the squad was bright. The opening event with Knoxville Y ended in a 14-14 tie, a close and exciting match all the way. In a return match with Knoxville, the Scotties went to a close defeat. The next match with the University of Chattanooga squad was another close one. This time the Maryville grapplers turned in an 18-16 winning performance. A highly outclassed Sewanee team went down to a decisive 29-5 defeat at the hands of our boys, as everyone on the Maryville squad gained a victory. Sewanee's points came via a forfeit. Maryville then traveled to Auburn to meet an always powerful squad. Auburn beat the Scottie matmen 22-10. At press time, the Maryville squad was training hard for the Southeastern Conference meet to be held at Maryville the end of February.

B A S E B A L L

The coming of baseball season to Maryville brings with it the promise of another well-coached Highlander team, and 1954 was no exception to this. Coach Honaker again developed a well-rounded squad which provided many pleasant afternoons for Highlander fans. Behind some fine pitching from Robinson and Ramger, the outstanding members of the pitching staff, the baseballers displayed an ability and willingness to play the game always evident in Honaker-coached teams. The outstanding victories of the year were a 4-1 win over U.T. behind Robinson's pitching, and a 5-0 shutout turned in by Ramger over Emory and Henry. Outstanding in the hitting department were speedy Bill Anderson with a .400 average, and Bob Shelton with a respectable .375.

The overall results were as follows:

The football season of 1954 was highlighted by the colorful play of the Alpha Sigma Hammers as they finished the season well ahead of any rivals. Coach Johnson and the intramural managers deserve due credit for their attempts to improve the program and for giving enjoyment to many amateur athletes.

For the athletic-minded coed. Women's Varsity is just what the doctor ordered. Dividing into two teams, the Chillies and the Howies, at the beginning of the year, the girls compete in volleyball, soccer, basketball, swimming, and softball for points. When the dust has finally settled and the points are totaled, one of the teams is declared the winner. A girl's points which she earns by participation in sports will also help earn a letter, a sweater, or both.
